

Dear Parent/Guardian,

4th July 2017

On Tuesday 18th July we will be having our first school disco this will be held after school 3.30pm to 4.30pm. We are planning on making this day a non-uniform day, so the children can remain at school already dressed for the disco and will be taken into the disco by their class teacher.

The cost of the Disco will be £2.50 this will include entry, a drink and a packet of crisps, a ticket must be purchased and paid for in advance and can be bought through the school office.

If your child usually goes on the County Council transport, you will need to collect them from school after the disco at 4.30pm. **The school bus will not come back to collect them.**

Tea Time club will be running as normal and our tea time coordinator will collect your child from the disco at 4.30pm.

If you do not wish for your child to attend the disco they **must** be collected as normal at 3.15pm.

If your child is coming to the disco, please sign the permission slip attached and return it with the £2.50 to the school office and they will issue you a ticket.

I am sure the children will be very excited to have our first school disco and will have lots of fun.

Yours sincerely,
