

Dear Parent/Guardian

19th April 2017

Year 2 Class

Due to rising numbers of Year 2 children over the past months, I am pleased to inform you that we have now received funding from the County Council to begin a dedicated Year 2 class. This will mean that your child will benefit from being taught in a smaller group, which will be particularly beneficial in the run up to their End of Key Stage tests in May and June this year.

Your child will join this new class from Monday 24th April and their teacher for the rest of this year will be Miss Ashleigh McLellan. You are welcome to come in to school as usual in the morning that day to meet Ashleigh and to see the classroom where your child will be based.

Your child will continue to follow the same topic 'Bugs, Blooms and Beasts' along with the rest of their classmates in Miss Brewster's class, and will still have some lessons and playtime/lunchtime with the other classes so I do not envisage any disruption to their normal school day.

Please do not hesitate to contact me if you have any further questions.

Yours sincerely

Linda Culbert
Head Teacher
