

Dear Parent/Guardian,

19th May 2017

Year 1 Phonics Screening

The Year 1 Phonics screening will be taking place the week commencing Monday 12th June and we are doing lots of work in school towards this. We have sent some words home with your child today, these words contain sounds that your child needs to practise.

We would be grateful if you could hear your child read daily and practise these words between now and then to ensure that your child has the best chance possible of achieving the required standard.

Thank you for your continued support and co-operation.

Yours sincerely,

Linda Culbert
Head Teacher
